Affiliate Companies:

As a service to our customers, we provide references to our affiliate companies (including our own companies). Listing companies in no way endorses their services and we do not assume responsibility for any services you engage.

The following list is a perpetual work in progress:

www.pm4hire.com

Our main site is used to provide project management and consulting services.

www.writeforhire.com

Our technical writing and website services company is a separate entity for reference purposes. We can engage in a variety of projects in this domain.

www.excelinbusinessmanagement.com

Our “education portal” website is intended to show potential affiliates how to offer continuing education courses in their geographic area.

www.excelinprojectmanagement.com

Our “course catalog website” is where we feature all the training programs that prospective students can take to continue their education.
